Sea Custom-house at M. N. — The Superintending Engineer of the 7th Division requested, for the reasons given, to submit after the 1st April 1869, a plan and estimate for the proposed Sea Custom-house at M. N. in the South Canara District.

Proceedings of the Madras Government, Revenue Department,
11th November 1868.

No. 159. Read the following Proceedings of the Board of Revenue, dated 27th October 1868, No. 7,649 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 17th September 1868, No. 872.

1. I have the honor to request that the Board of Revenue will be pleased to obtain the sanction of Government for the construction of a new Custom-house at Mulki, a sea-port in this district, where a small Customs Establishment is located for conducting the business of the port.

2. The present Custom-house at the place being in an extremely dilapidated state, I requested the Range Officer to furnish me with an estimate for its repair, but Lieutenant Thompson finds that the building is too far decayed and past all repair, and suggests the erection of an entirely new building, the cost of which he estimates at Rupees 1,690.

3. In anticipation of the sanction of Government to the proposed building, I have requested the Superintending Engineer to insert a sum of Rupees 1,690 in the Public Works Budget of the ensuing official year, to meet the cost of the new office.

SUBMITTED to Government, with the Board's recommendation that funds be provided in the ensuing year's Budget for the construction of a new Sea Custom-house at Mulki, the present building being in far too ruinous a condition to admit of repairs.
