*Proceedings of the Madras Government, Revenue Department,
10th February 1868.*

No. 187. Read the following Proceedings of the Board of Revenue, dated 23th January 1868, No. 660.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 10th December 1867, No. 344 :—

1. Adverting to paragraph 11 of my letter, dated 10th October 1867, No. 272, I have the honor to forward, for the sanction of Government, a plan and estimate lately received from the Superintending Engineer, 7th Division, for constructing a timber bridge across the Papatty Pullum stream on the road from Pullachy to Collengode.

2. The estimated cost is Rupees 4,130, which with Rupees 1,768 for drains, for which plans and estimates have already been submitted to the Board, makes a total of Rupees 5,898 for bridge work on the line: against this sum Rupees 4,252 have been allotted in the first Supplemental Budget of Local Funds for the current official year, and the balance, viz., Rupees 1,646, will have to be provided for from the savings in any of the items shewn in my Budget Estimate for the ensuing official year, or from the reserve of that year. Had the present estimate been received from the Superintending Engineer before the despatch of my Budget for 1868-69, due provision would have been made therein for this work.

ENCLOSURES Nos. 1 and 2.—Plans and Estimate.

1. The estimate, amounting to Rupees 4,130, received with the foregoing letter, for constructing a timber bridge across the Papatty Pullum stream on the road from the Pullachy to Collengode, is submitted for the sanction of Government.

2. The other estimate for Rupees 1,768, referred to in paragraph 2 of the Collector's letter, has been sanctioned in paragraph 3 of the Board's Proceedings, recorded in Government Order, Revenue Department, dated 12th December 1867, No. 2,958. The total of the two estimates amounts to Rupees 5,898, against an allotment of Rupees 4,252, provided in the current year's first Supplemental District Road Fund Budget for the works in question as Item No. 2.
