ORDER.—Ordered that a copy of this Resolution be forwarded to the Local Governments and Administrations noted on the margin.

Ordered also, that a copy be sent to the Government of Bombay, with a request that the Engineers for the Governments and Provinces marked B may be distributed as they may happen to arrive at Bombay, an immediate report being made to the Government of India to aid it in the distribution of those who may come to Calcutta. The urgency of demand may be reckoned by the numbers set down to each Province, the choice of which is usually allowed by seniority on the India Office list. Any of the new Engineers who may be able to satisfy the Bombay Government that they have sufficient reason for desiring to go to Northern India or Burmah, may be sent to Allahabad to report themselves to the Chief Engineer there. All further details are left to the discretion of the Government of Bombay.
