Read the following papers:—

Office Memorandum from the Officiating Secretary to the Government of India, Military Department, to the Public Works Department, dated Simla, 24th October 1868, No. 494.

In reply to Memorandum, No. 1,259E, of the 7th September 1868, forwarding a representation from Captain J. Hills, Royal Engineers, that the Staff salary of Rupees (240) two hundred and forty to Captains, and Rupees (120) one hundred and twenty to Lieutenants, allowed to Field Engineers, is small, as compared with the larger amounts sanctioned for Officers of other departments, the Officiating Secretary in the Military Department is directed to inform the Public Works Department that the appeal cannot be entertained by the Government of India in the Military Department, and to observe that Engineer Officers are performing ordinary corps duty when on field service, though, as their duties may be more onerous than those of Captains and Subalterns of other branches performing 'regimental duty, a staff salary as Field and Assistant Field Engineers is conceded to them.

No. 126.

Copy of the above forwarded to the Secretary to Government, Fort Saint George, Military Department, for the information of the Right Honorable the Governor in Council.
