*Proceedings of the Madras Government, Revenue Department,
20th November 1868.*

No. 357. Read the following Proceedings of the Board of Revenue, dated 26th October 1868, No. 7,618:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 25th August 1868, No. 246.

1. I have the honor to forward plan and estimate just received from the Special Executive Engineer, Wynaad, for a bungalow and out-houses at Peria.

2. It will be observed that the plan is of the very simplest description, and the accommodation the least that can well be provided if it is resolved to build a bungalow at all. Yet the estimate amounts to Rupees 5,247.

3. Captain Kennedy writes that the rates are very high, and that he has called for revision; but I am not sanguine much reduction will be effected. A bungalow at the place is very urgently required, as has been repeatedly pointed out. For years it has been written about. Rupees 2,000* were sanctioned. Rupees 350

* *Vide* G. O., 30th Nov. 1866, No. 3,265, R. D. have been spent. Rupees 8,500 are available this year. From this the sum required can be supplied, though I grudge exceedingly taking funds that I hoped would provide bungalows at Nadaghany and Nilambur also.

4. I beg that the plan and estimate now submitted may be passed speedily if anything is to be done this year. The work will be carried out by the Public Works Department.

P. S.—At Nadaghany the bungalow should be on the same plan as was now submitted, and would cost about the same.

At Nilambur the bungalow should *Vide* Bd.'s Pros., dated 23rd June 1868, No. 4,636. be on the plan recommended in my letter, dated 16th April last, No. 92, but I doubt the estimate coming to less than Rupees 3,500.

Perhaps the Board may be able to make some provision for these much required works.

(Signed) G. A. BALLARD,
Collector.
