*Proceedings of the Madras Government, Public Works Department,  
1st December 1868.*

No. 18. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Areacode, 19th November 1868, No. 155 :—

1. With reference to your endorsement No. 1,779, of 7th September, on the 1st Petition dated 17th August 1868, with endorsement.

Petition herewith returned, I have the honor to state that the Brigadier General Commanding Malabar and Canara, and the Garrison Surgeon of Cannanore, consider the building in question to be unfit for a permanent Garrison Hospital ; and that the Cannanore Range Officer reports the price asked by its owner to be more than double what he would value it at for such a purpose, the roofs being single tiled, and the timber so decayed that double tiling could not be put on.

2. A new Garrison Hospital should be provided in conformity with present sanitary requirements, and orders are respectfully solicited whether such should be estimated for. By this date the old Hospital will have been made ready for occupation as a Talook Cutcherry.

No. 19. ORDER THEREON, 1st December 1868, No. 3,746.

**MILITARY WORKS, No. 2.**

1. Under the circumstances explained in this letter, the Government decline to authorise the purchase of the building tendered by Pommanichee Conjamed for a Garrison Hospital at Cannanore, and the Superintending Engineer will submit in due course a plan and estimate for a new building.

2. Ordered that the following endorsement be passed :—

“The petitioner will be informed that the Government do not require the property at Cannanore tendered by him for the purposes of a Garrison Hospital.”
