No 3775

Order of the Madras Government

No. 3152
Superintending Engineer's Office
Camp, Madras
Dated 24th November 1898

From, The Superintending Engineer.

To, The Secretary to Government.

Sir, With reference to G. O. No. 3152 of the 2nd instant I have the honor to inform you that my reason for recommending the work at the "Kerr's Land" being carried out from the allotment for repairs "Agricultural" was that there were not sufficient funds under the head Minor Works "Agricultural" & so I must order the work to be stopped unless Government will allow the improvement to be carried out from the allotment for repairs or on the understanding that a sum shall be allotted later in the year.

I have &c &c

W. H. Major
Superintending Engineer

Very sincerely,
the outlay to be adjusted hereafter by transfers.
