*Proceedings of the Madras Government, Public Works Department,
5th December 1868.*

No. 141. Read the following Proceedings of the Madras Government in the Financial Department, dated 23rd November 1868, No. 531 :—
Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 3rd November 1868, No. 202.

Budget and Resource Department.

1. With reference to the Financial Resolution of the Government of India, No. 1,221, dated the 6th July 1866, I have the honor to forward, herewith, for transmission to them, in the Home Department, the Marine Budget-Estimate of this Presidency for 1869-70, accompanied by a memorandum explanatory of the variations between the sanctioned grants for the current year and those proposed for the ensuing year. It will be observed that a sum of Rupees 1,00,000 is provided in this estimate, at the instance of the Master Attendant, on account of the repairs of the Pier; but it seems doubtful whether the charge is properly a Marine one, the extensive character of the repairs making it seemingly rather one of the Public Works Department.

2. The estimates of the Police, Jail, and Educational Departments, will be forwarded separately in due course.

1. The Governor in Council directs that the Marine Budget-Estimate of this Presidency for 1869-70 be returned to the Accountant General, with a view to the item, "Repairs of the Madras Pier, Rupees 1,00,000," being removed from the Marine to the Public Works' Estimate.

2. With this correction, the Marine Budget-Estimate is approved.
