*Proceedings of the Madras Government, Public Works Department,
7th December 1868.*

No. 149. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 26th November 1868, No. 915:—

1. I have the honor to inform you that Rupees 80,155-14-11 have been expended on the Central Jail at Trichinopoly up to the 31st October, during the current official year, or at the rate of Rupees 11,451 per mensem; at this rate Rs. 1,37,412 may be expended up to the 31st March, and, in addition to this, Rupees 10,000 may be expended upon the iron railings which are being procured through the Workshops at Madras. Rupees 1,47,412 will, if available, be spent on the Jail Works in 1868-69, and as Rupees 95,760 only were provided in the Budget of 1868-69, a further allotment of Rupees 51,652 during the current year is required, and I beg that I may be informed, at an early date, whether this or any other sum can be provided, for if not the works will have to be stopped. Such a proceeding, I need hardly say, would delay the completion of the work for a far longer period than the actual time lost during the stoppage; for the establishment, &c., would have to be reduced, and some time would be lost when funds were again available in collecting the scientific laborers, and in organizing an establishment, &c., and it is desirable that the Jail Works should be completed before the Lunatic Asylum Works are commenced.

2. The delay in the completion of the one work would cause a corresponding delay in the commencement of the other.

3. The progress made in the Jail Works being given in the Monthly Progress Reports, it is unnecessary to enter into details here.

No. 150. ORDER THEREON, 7th December 1868, No. 3,811.

CIVIL WORKS, No. 16.

* Rupees 51,652.

The Government grant authority for the continuance of the work at the Central Jail at Trichinopoly, but, as so large a sum* as the Superintending Engineer expects to be able to expend during the remainder of the current official year is not likely to be at the disposal of Government for supplementing the Jail allotment, Captain Oakes will contract expenditure as far as possible without detriment to the resumption of more active operations on funds being available.
