*Proceedings of the Madras Government, Public Works Department,
7th December 1868.*

No. 151. Read the following letter from the Postmaster General, to the Secretary to Government, Public Works Department, dated Madras, 19th November 1868, No. 3,591-2,472:—

1. I have the honor to subjoin, for the information of Government, copy of a Circular from the Director General of the Post Office in India, No. 52, dated 29th ultimo, and of its enclosure, and, with reference thereto, to submit a list of the Postal buildings to be constructed and repaired, for which provision is required to be made in the Public Works Budget of 1869-70.

2. The list includes all works already approved, and those, although not approved, are about to be submitted for approval.

3. Information which appears necessary in each case is given in the column of remarks in the list.

Circular from the Director General of the Post Office of India, to the Officiating Postmaster General of Madras, dated Simla, 29th October 1868, No. 52.

1. In forwarding the accompanying extract, paragraphs 2 and 3, of an Office Memorandum from the Secretary to the Government of India, Department of Public Works, dated the 1st instant, together with copy of the enclosed statement, I beg to explain that it is intended by the Government of India to set aside specially for Post Office works a certain sum in the Public Works Budget of every Province for the ensuing year (1869-70), so as to avoid the great difficulty which has been experienced in some Provinces in getting the Local Government to supply funds for such work out of the general assignment.

2. It will be proper, therefore, to give as full information as possible to the local Officers of the Public Works Department respecting the requirements for the year 1869-70, forwarding, for the information of this Office, a copy of all such communications. All works already approved, but not yet commenced or completed or likely to be completed by the end of the present official year, should be entered in the schedule for next year, and any work which, although not yet approved, will be shortly submitted for the approval of this office, should be noted as such, having the estimates to be filled in by the Public Works Officers.

(Signed) A. M. MONTEAH,
Director General of the Post Office of India.

Extract of an Office Memorandum from the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of India, Financial Department, No. 730A, dated the 1st instant.

Paragraph 2.—To ensure, as far as possible, a sufficient sum being set aside for Postal works in the Provincial Public Works Budget Estimates, the Officers of this Department will be instructed to place themselves in communication with the local Postal authorities, with the view of ascertaining what their requirements are likely to be for the coming year.

Paragraph 3.—A Statement is annexed, showing the expenditure incurred by this Department on works and repairs for the Postal Department during the last four years, which may be useful.

Postmaster General

*Proceedings of the Madras Government, Public Works Department,
7th December 1868.*

List showing the Post Offices to be built or repaired for which estimates have been approved or are about to be submitted for approval, and for which provision is required to be made in the Public Works Budget of 1869-70.
