*Proceedings of the Madras Government, Public Works Department,
7th December 1868.*

No. 166. Read the following letter from the Officer in charge of the Superintending Engineer's Office, 8th Division, to the Secretary to Government, Public Works Department, dated Palamcottah, 23rd November 1868, No. 1,936:—

One copy of letter from Mr. Colquhoun. I have the honor to recommend that one month's privilege leave be granted on the enclosed copy of application from Sub-Engineer Mr. Colquhoun. I can place Overseer Mutusawmy in charge of the Range, as I have confidence in his ability to conduct the current duties; and he has carried out the works in the Tiroomungalam talook so far, that there is little left to be done during this year. Although an application for leave has just now gone in for another Range Officer (in the Tinnevely District), I consider Mr. Colquhoun fully entitled to the indulgence, when his services can be spared for a short time. I also take this opportunity of reporting, that I propose making the following transfers of Range Officers in the Division, viz., Sub-Engineer Mr. Colquhoun, on return from leave, to the first Range, Tinnevely. Assistant Engineer Mr. Roberts, who will relieve Mr. Hawksworth when proceeding on leave, to remain in charge of the second Range, handing over the first Range to Mr. Colquhoun, on his joining. Assistant Engineer Mr. Hawksworth, on return from leave, to the first Range, Madura District.

No. 167. ORDER THEREON, 7th December 1868, 3,820.

ESTABLISHMENT, No. 19.

1. The leave applied for in this letter on behalf of Mr. Colquhoun, will be granted and notified in the Gazette.
2. The transfers proposed to be made on Mr. Colquhoun's return from leave, are approved.
