DECEMBER.

Nos. 202-203

Beypore pig-iron.—Proceedings. Financial Department sanctioned conditionally, the sale of certain Beypore pig-iron to Mr. deClosets, at Rupees 25 per ton, recorded.

*Proceedings of the Madras Government, Financial Department,
27th November 1868.*

No. 93. Read the following letter from Colonel J. CARPENDALE, Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 10th November 1868, No. 286.

In the Order, in the Financial Department, as per margin, Government sanctioned the sale of certain Beypore pig-iron in the Mint, at the reduced price of 25 Rupees a ton, for ballast for shipping, as it was no use in the Mint; and on same rate.

8th January 1866, No. 6.

Mr. deClosets, of the Chepauk Foundry, applying to me, I consented to allow him to have it at the same rate.

2. I have since, however, learnt that the Department of Public Works does not take any cognizance of the source whence, or the rates at which, Mr. deClosets procures his iron for casting, he being at liberty to make his own arrangements; but as the iron, which was reported unfit for use in the Mint, has since proved suitable as part of a mixture for certain work for Government at the Chepauk Foundry, I think it better to refer for orders whether I may continue to let Mr. deClosets have the metal at the reduced charge.

Referred to the Public Works Department for report as to the extent to which the Beypore pig-iron can be used in the Government Workshop, and on the point raised by Colonel Carpendale regarding the rate at which Mr. deClosets may be allowed to purchase this iron.

MEMORANDUM.
