*Proceedings of the Madras Government, Public Works Department,
12th December 1868.*

No. 290. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Ponany, 30th November 1868, No. 160 :—

1 Survey.

1 Estimate, No. 35, Rupees 8,170.

2 Plans.

1 Receipt.

1. As ordered in G. O., No. 3,035,

of 25th September, I have the honor

to submit an Estimate of Rupees 8,170

for the construction of temporary sheds

for troops on the encamping ground at Beypoor, whereof the abstract is as follows, viz. :—

9 Sheds, including Hospital, at Rupees 477	4,298
1 Hospital Privy	83
1 General Privy	363
1 Wash-house	197
4 Ranges of Family quarters, at Rupees 666	2,664
1 Wash-house	197
1 Privy	363
Fence, &c., for the well	10
Total	8,170

Of which sum Rupees 3,335 represents a credit given to the Forest Department for Peak saplings, forming the frame work of the shedding, as per copy of bill accompanying—

2. A survey of the ground is forwarded, showing the arrangement of the sheds, whereof, on the 25th instant, I found four of the men's sheds completed, and ready for superseding or supplementing the tent accommodation provided for a large party of Artillery expected from Bombay on or about the 28th. I had due notice given of the fact to the Military and Medical Officers concerned. The sheds were remarkably well put up, and will answer their purpose, I trust, and give satisfaction, till no longer wanted. Each man being allowed ninety superficial feet, they will accommodate double the number they are built for, on occasion, and yet afford more space in every way than is allowed in tents.

3. With reference to Mr. Allen's house, I have to observe that the flat ceiling of one of the rooms having fallen in, I cannot recommend its occupation by any one until the whole flat roof shall have been taken off, and replaced by thatch. I have no orders to repair the building, and apparently no arrangements have been made with the owner for repairing it before it is rented.

4. Nor apparently have any arrangements yet been made for a Railway platform or siding, for the convenience of the troops.

No. 291. ORDER THEREON, 12th December 1868, No. 3,883.

MILITARY WORKS, No. 21.

1. The Government sanction the esti-

mate of Rupees 8,170 for the construc-

tion of temporary sheds at Beypoor

for the accommodation of troops, and the Superintending Engineer will take measures to adjust the outlay that may be incurred later in the year.
