No. 333. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Cuddapah, 5th December 1868, No. 3,255 :—

1. I have the honor to bring to your notice, that in the list which accompanied your Memorandum No. 66, of 28th October 1868, the proposed work at Cuddapah is entered as follows :—“ New Jail of four large and three small wards with subsidiary buildings with subsidiary buildings.” As, on referring to G. O., No. 1,051, of 2nd July 1868, in the Judicial Department, I find that the arrangements proposed for Cuddapah are a new Talook Cutcherry and Subsidiary Jail, with accommodation for twenty-four males and nine females, I beg to know if the second entry of the words “ with subsidiary buildings” is not a mistake for “ with Cutcherry on Plan No. 1.”

2. I take this opportunity of informing you, that the sites for the new Cutcheries in the Cuddapah District have not yet been approved by the Subsidiary Jail Committee, but I have requested the Collector to arrange to hand over the ground as soon as possible, and he informs me that he has written to the Subsidiary Jail Committee on the subject; in the meantime the collection of materials is being proceeded with.

No. 334. ORDER THEREON, 15th December 1868, No. 3,904.

CIVIL WORKS, No. 44.

The Superintending Engineer of the 3rd Division is informed that the repetition of the words “ with subsidiary buildings” in the list which accompanied this Office Memorandum No. 66 of the 28th October 1868, was a clerical error, and that the subsidiary buildings referred to are the Hospital Shed, Cook-room, and Latrine attached to the Jail.
