*Proceedings of the Madras Government, Public Works Department,
15th December 1868.*

No. 335. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezoarah, 18th November 1868, No. 117:—

I have the honor to report that the following scientific instruments have been missing for several years, and were so shown in the Divisional returns when the Division was made over to me by Colonel Anderson in April 1865:—

Received in 1860,	Compasses, Comprehensive	No. 2
Do. 1856,	Opisometer	1
Do. do.	Plotting scale-box	1

These were supplied from the Public Works Stores in the years specified opposite each, but no trace can be found as to how they were distributed, and when they were issued from this Office. I therefore solicit the sanction of Government to write them off in the books of this Office.
