*Proceedings of the Madras Government, Public Works Department,
16th December 1868.*

No. 405. Read the following letter from G. C. F. BARNARDO, Esq., to the Secretary to Government, Public Works Department, dated Royapoorum, 9th December 1868 :—

1. I beg to enclose my statement of account of monies expended by me up to and including the 9th day of December 1868, the amount of which I should be glad to receive as soon as possible.

2. Captain Scott has desired me to submit to him some alterations necessary to be made in the bungalow, Cholaveram, on account of my being a married man, so as to render habitable, which, when brought before the Council, will meet its approval I trust.

No. 406. ORDER THEREON, 16th December 1868, No. 3,936.

ESTABLISHMENT, No. 43.

1. With this letter Mr. Barnardo, Assistant Engineer of the second grade, recently arrived from England, submits

a bill for travelling and other expenses incurred by him from the date of his landing at Bombay to the 9th December 1868.

2. The Controller of Public Works Accounts is authorized to pass the items marginally noted against the general allotment for "Travelling Allowances."

Nos. 1 to 11 and 13 to 15.

Item 20.

3. The charge of Rupees 40 on account of hotel expenses at Madras is inadmissible, as, during his stay at the Presidency, Mr. Barnardo is entitled to the full pay of his rank, which must meet all expenses of living.

Item 12.

4. The claim of Rupees 9-13-0 for the conveyance of luggage from Beypore to Madras is also inadmissible, as the mileage rate of 3 Annas allowed to Officers of the Department for journeys made by Railway is intended to cover all expenses.

Items 16, 17, 18, 19.

5. Mr. Barnardo claims Rupees 24 on account of carriage and carts employed from the 5th to the 9th instant, during which period he was occupied in visiting the Madras Water Works to which he has been posted. Mr. Barnardo's claim to travelling allowance during this period must be disposed of under the travelling allowance rules, and he will accordingly submit, for the audit of the Controller of Public Works Accounts, a bill for such allowance as he may be entitled to. For those days on which Mr. Barnardo moved to a greater distance than five miles he will be entitled to travelling allowance at the rate of 4 Rupees, while for those days on which he travelled shorter distances, or remained stationary without maintaining tents and carriage for them, he will be entitled to one half of that rate of travelling allowance or Rupees two per day.
