Proceedings of the Madras Government, Public Works Department,
18*th December* 1868.

No. 445. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 27th November 1868, No. 3,657 :—

With reference to the accompanying copy of a letter from the Controller of Military Accounts, No. 690, dated 26th instant, I have the honor to request the orders of Government as to whether members of the Subordinate Medical Department, employed on Regimental or corresponding duties, are entitled to compensation *when provided with inferior quarters*, and, if so, whether the charge is debitable to the Public Works Department.

From the Controller of Military Accounts, Fort St. George, to the Controller of Public Works Accounts, dated 26th November 1868, No. 690.

1. In reply to your letter, No. 3,471, of 16th November 1868, I have the honor to state that I am not aware of any rule authorizing the grant of compensation for inferior quarters to Medical Subordinates in receipt of pay, under the provisions of G. G. O., No. 550 of 1868.

2. The grant, however, to these Subordinates of public quarters, for which they had formerly to pay according to the scale laid down in paragraph 20 of G. G. O., No. 859 of 1866, would appear to place them in the same position, as regards quarters, as the individuals referred to in paragraph 21 of that Order, who are entitled to public accommodation without charge, and "compensation if provided with quarters of a decidedly inferior description."

No. 446. Order thereon, 18th December 1868, No. 3,957.

ESTABLISHMENT, No. 47.

Ordered that the Government of India be addressed on the subject of these papers.
