that this was insufficient, and sanction for a supplemental estimate, amounting to Rupees 600, was obtained on the 15th of May 1868.† Finally, the actual expenditure has exceeded the sanctioned 1,600 by 262 Rupees, for which I have now to apply for sanction.

3. The usual comparative statement is forwarded, with causes assigned for the excess, which I consider sufficient to account for the cost of the work, but which I think should have been foreseen when the work was first proposed, and certainly should not have been overlooked when the supplemental estimate was submitted.

Sir,

Enclos
Comparative
Statement

I have the honor to apply for sanction

for excess expenditure incurred on the con-

struction of a scouring sluice and Ring

Channel near Cocanada Lock on the

Junction Canal in the Godavary District.

2. This work was sanctioned on the 4th

G. O. No. 3082.

October 1867, at an Estimated Cost of Rupees

1000. It was soon found that this was

insufficient, and sanction for a suppl-

mental Estimate amounting to Rs. 600

was obtained on the 15th of May 1868.

G. O. No. 1556.

Finally the actual expenditure has exceeded

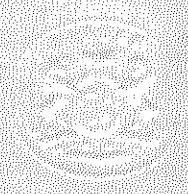

the

the sanctioned 1000 by 26 2 shapes. for
which I have now to apply for sanction.

3. The usual Comparative Statement
is forwarded with causes assigned for
the excess which I consider sufficient
to account for the cost of the work, but
which I think should have been foreseen
when the work was first proposed and
certainly should not have been overlooked
when the Supplemental Estimate was
submitted.
