Mis.496-97Dated 21-12- 1868.Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
21st December 1868.*

No. 496. Read the following letter from the Director of Public Instruction, to the Secretary to Government, Public Works Department, dated Madras, 18th December 1868, No. 2,838:—

1. I have the honor to forward the accompanying letter from the Principal of the Civil Engineering College, No. 423, of the 17th instant, and to request that the services of Mr. A. Milne, Overseer, 5th Division, Department Public Works, may be placed at my disposal with a view to his being employed as an Assistant Master in the Civil Engineering College.

2. It will be seen that Captain Edgecome is desirous Mr. Milne should join the College by the 4th January 1869.

From the Principal of the Civil Engineering College, to the Director of Public Instruction, dated Madras, 17th December 1868, No. 423 C.

1. I have the honor to inform you that I have at last found a competent person to fill the post of Assistant Master of the Special Department of this College (which has been so long vacant) in Mr. (Quarter Master Sergeant) A. Milne, Overseer, 5th Division, Public Works Department, and I accordingly recommend that his services be applied for, with a view to his taking up this appointment on 4th January next, when the College will reopen after the Christmas holidays.

2. Quarter Master Sergeant A. Milne passed out of this College in May 1866 as head of his class (of sixteen Students), and has ever since been employed in Public Works Department, and from what I know of him, I feel confident that he is especially well suited for the vacancy existing in this institution.

3. I have ascertained from the Superintending Engineer, 5th Division, that he will allow Mr. A. Milne to resign his present appointment in order to join the College, and I therefore request you will be good enough to apply for his services, and have him appointed as Assistant Master, Special Department of the College, from 4th proximo, on the salary pertaining to the appointment, viz., Rupees 100 per mensem, consolidated.

4. I take this opportunity of expressing my complete satisfaction with the way in which Messrs. Evans and Schoury have conducted the duties of the appointment during the time they have been temporarily in charge, in addition to their other work as Assistant Masters, Second Department, but the Special Department is a very important one, and requires the undivided attention of one Master, and I shall consider myself fortunate if I obtain Mr. Milne's services.

No. 497. ORDER THEREON, 21st December 1868, No. 3,985.

ESTABLISHMENT, No. 51.

The Government have no objection to Sergeant Milne being employed as an Assistant Master in the Civil Engineering College.
