**Proceedings of the Madras Government, Public Works Department,
7th January 1868.**

No. 84. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 20th December 1867, No. 1,195 A.—

1. I am directed to acknowledge receipt of your application, No. 3,545, dated 16th November 1867, and in reply to convey sanction to the reappropriation of Budget credits therein detailed, with the exception of those involving an increase of Rupees 4,038 to the grant for establishment. On this point I am to request that the reason for proposing the increase may be explained.

2. With reference to the fact of the grant for Minor Works assigned for 1867-68 having been almost exhausted, I am to suggest the desirability of proposals being submitted for increasing that allotment by a lump sum in the manner indicated in the correspondence with the Government of Madras, terminating with my letter, No. 562A, dated 10th June 1867. Such a course would prevent the necessity for references to the Government of India for sanction to small items of reappropriation of Budget credits which could be disposed of by the Government of Madras finally.
