*Proceedings of the Madras Government, Revenue Department,
25th February 1868.*

No. 504. Read the following Proceedings of the Board of Revenue, dated 13th February 1868, No. 1,063:—

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Camp at Melur, 28th January 1868, No. 8.

I have the honor to forward, for the Board's sanction, two estimates, amounting to Rupees 59,790, for constructing road between Manalur and Shevagunga and between Shevagunga and Tirupatore. In anticipation of the Board's sanction, I have taken the necessary steps for commencing the work at once.

ENCLOSURES Nos. 1 and 2.—Estimates.

1. With the foregoing letter, the Collector submits for sanction two estimates for constructing road between Manalur and Shevagunga, and between the latter place and Tirupatore, and states that he has taken the necessary steps for commencing the works at once in anticipation of the Board's sanction. These works are not provided for in the revised District Road Fund Budget of the current official year, and the Board, therefore, do not understand how the Collector can have taken upon himself the responsibility of authorizing their commencement before the receipt of the requisite sanction to the estimates now submitted, and before the allotment of funds. The Collector is requested to submit, without delay, any explanation he may have to offer.

2. It is observed, however, that the second work, viz., the road between Shevagunga and Tirupatore is entered as Item No. 159 in the Budget of 1868-69, with an allotment of Rupees 18,760. The estimate for this work, amounting to Rupees 41,050, will be submitted for the sanction of Government. The other estimate for Rupees 18,740 will be returned to the Collector, in order that it may be re-transmitted to the Board with an intimation of the source from which funds for it can be provided.
