*Proceedings of the Madras Government, Revenue Department,
25th February 1868.*

Read the following papers :—

No. 514. Proceedings of the Board of Revenue, dated 11th February 1868,
No. 1,013.

Read the following letter from the Acting Collector of Nellore, to the Secretary to
the Board of Revenue, dated 5th November 1867, No. 1,290.

1. At the recommendation of the Acting Sub-Collector, I have the honor to forward herewith, for the Board's consideration, a petition from Damodarapu Anantaya, Head Revenue Inspector of Kanigiri talook, seeking remuneration for the period during which he acted as Sub-Magistrate of Addanki.

2. Damodarapu Anantaya was appointed to act as second class Sub-Magistrate of Addanki on 15th April 1864, on condition of his passing the prescribed Special Test Examination. On the Civil Paymaster retrenching his salary on account of his not having passed, the Government in their Order, No. 185, dated 1st February 1865, sanctioned his retention in his acting appointment on condition of his passing the prescribed Test. He was again admitted to the Modified Test, but he did not appear at the examination, and consequently reverted to his present post.

3. Subsequently Government in their Order, dated 16th October 1865, No. 2,503, sanctioned his exemption from passing the Special Test Examination. This was communicated to the Collector by Mr. Pelly, Member of the Board of Revenue, in his Circular, No. 1,849, dated 15th November 1865—See also Board's Proceedings, dated 21st July 1864, No. 4,610.

4. During the period D. Anantaya officiated as Sub-Magistrate of Addanki, he was also in charge of the Podili and Darsi divisions, drawing no additional salary for the additional work. The Acting Sub-Collector is of opinion that under these circumstances, under Board's Circular Order, No. 393, dated 1st May 1826, he may be allowed a special remuneration of Rupees 511-7-3, as per statement enclosed.

ENCLOSURE No. 1.—Petition.

ENCLOSURE No. 2.—Statement.

1. The Board resolve to submit this application for the orders of Government.

2. Damodarapu Anantaya held the appointment of Sub-Magistrate of Addanki between the 13th March 1865 and the 31st May 1866, and drew Rupees 50, the pay of that appointment; but during the same time the exigencies of the public service required that he should take charge always of one, and sometimes of both of the adjoining Sub-division of Podili and Darsi, so that his work and responsibility were very greatly increased.

3. The pay attached to the office of Sub-Magistrate in each of these two Sub-divisions is Rupees 85; but as Damodarapu Anantaya was not formally appointed to act in either of them, he continued to draw the lower rate of pay only. He now asks for Rupees 511-7-3, the difference between the salary at Rupees 50 per mensem which he drew as Sub-Magistrate of Addanki, and Rupees 85, which he ought to have drawn as Sub-Magistrate of either Podili or Darsi.

*Proceedings of the Madras Government, Revenue Department,
25th February 1868.*

4. Although there has been great delay in preferring the claim, the Board consider it to be well founded, and recommend it for the favorable consideration of Government.

Referred to the Accountant General for his remarks.

Secretary to Government.
