*Proceedings of the Madras Government, Revenue Department,
27th February 1868.*

No. 530. Read the following Proceedings of the Board of Revenue, dated 18th February 1868.

Read the following letter from the Collector of Salem, to the Secretary to the Board of Revenue, dated Salem, 15th February 1868, No. 46:—

1. Since last writing to you on the state of the season, cholera has increased and is rapidly increasing in the town of Salem. Sixty-seven deaths have been reported during the last week. As the medical hands available in the town are not sufficient to attend upon the sick, I have this day applied by a telegram to Government to send two or three Dressers, or Hospital Assistants, with cholera medicines.

2. I have not received any reports within the last few days from talooks. The increase of cholera is to such an extent that it is emergently necessary that extra Dressers should be sent without delay provided with suitable medicine.

1. Submitted to Government.

2. The Board presume that orders have been already issued to the Medical Department on the Collector's direct application.

No. 531. ORDER THEREON, 27th February 1868, No. 532.

Miscellaneous.

1. Recorded.

2. Orders were issued on the 15th instant directing that two Dressers

should be sent to Salem, and that the Government should be kept informed as to the prevalence of cholera in Salem town.

3. The Collector should have specified the date of his previous letter to which reference is made in the first paragraph.
