*Proceedings of the Madras Government, Revenue Department,
3rd January 1868.*

No. 4. Read the following Proceedings of the Board of Revenue, dated 18th December 1867, No. 8,154.

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated 19th November 1867, No. 349:—

1. Referring to the Board's Proceedings, dated 15th October last, No. 6,701, paragraph 2, I have the honor to state, for the information of Government, that the scale of establishment sanctioned for making over land to the Irrigation and Canal Company in this district, cannot with efficiency be reduced to the same numbers and cost sanctioned for Cuddapah District.

2. The necessity for the employment of this establishment is fully explained by me in the correspondence printed in the Proceedings under reply; the work to be performed by this special Department being very onerous, and the time of the Deputy Collector being much taken up even with this assistance, it is very undesirable to make any reduction.

3. The nature of the work in Cuddapah District cannot be so heavy at present, as the irrigation works are just being commenced there, and I doubt if the establishment, now allowed for that district, will be able to carry out all the works that may be expected from it hereafter, as the work progresses.

Submitted to Government, with reference to paragraph 3 of their Order, dated 10th October 1867, No. 2,384. It will be observed from the Collector's letter that the temporary establishment, already sanctioned by Government, cannot be reduced.
