No. 56. Read the following Proceedings of the Board of Revenue, dated 17th February 1868, No. 1,142.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 30th November 1867, No. 326:—

1. With reference to the Order of Government, in the Revenue Department, dated 27th February 1867, No. 478, communicated in the Board's Proceedings, dated 2nd March last, No. 1,313, the monthly cost of the Temporary Establishment entertained in the abolished Salt Divisions of Manakudy and Soliakudy for the purpose of selling the salt on hand, was reduced to Rupees 98 for each station.

2. In the Proceedings of Government, dated 17th August last, No. 1,919, communicated by the Board on the 22nd idem, the strength of that establishment was again reduced to Rupees 66; accordingly the hands not requisite were ordered to be discontinued. Accountant General, in his Result Statement for September last, has disallowed the pay already drawn by them, from 1st July to 27th August, amounting to Rupees 116-7-10, as shewn in the margin,

for the reason that the sanction accorded in the Government Order, dated 27th February last, expired on the 30th June. I have, therefore, the honor to request the Board will authorize the Accountant General to remove his objection to pass the charge of the abovementioned sum of Rupees 116-7-10, paid to the men who actually performed the duties till their removal.

Submitted to Government. It appears from the Collector's letter that the Temporary Establishment sanctioned for certain Salt Divisions was continued from 1st July to 27th August last, pending the sanction of Government for the reduced cost proposed by the Collector. Under these circumstances, the Board request the sanction of Government for the excess charge of Rupees 116-7-10, incurred during the above period, and retrenched by the Accountant General.
