*Proceedings of the Madras Government, Revenue Department,
9th March 1868.*

No. 118. Read the following Proceedings of the Board of Revenue, dated 20th February 1868, No. 1,411.

Read the following letter from the Collector of Salem to the Secretary to the Board of Revenue, dated 18th December 1867, No. 519:—

1. With reference to the Board's Proceedings of the 9th August last, No. 5,095, I have the honor to enclose the copy of a letter from the Sub-Collector, dated the 10th instant, No. 811, communicating the wishes of the Polygars of Shulagerry and Bagalur in regard to the Permanent Sunnud.

2. The Shulagerry Polygar, it will be seen, has withdrawn his requests formerly made, but now asks for a portion of the quit-rents imposed on the Inams to be made over to him. This cannot, however, be complied with.

3. The Sub-Collector has endeavoured, in vain, to obtain the wishes of the Bagalur Polygar. Mr. Price states that the Polygar is much involved in debts, and cannot, therefore, without endangering his Poliput, agree to receive an Istimarar Sunnud. His (Polygar's) request, that his son may be allowed at once to succeed to the estate, will form the subject of a separate communication which I intend making shortly.

4. The delay in submitting this report has been unavoidable, as will be seen from the Sub-Collector's letter.

From the Acting Sub-Collector, to the Collector of Salem, dated 10th December 1867, No. 853.

1. With reference to your endorsement on the Proceedings of the Board of Revenue, No. 5,095, dated 9th August last, and your subsequent remander, No. 1,411, dated 15th ultimo, I have the honor to report as follows:—

2. On receipt of your instructions, the purport of the Board's Proceedings, above alluded to, was duly communicated to the Polygars of Bagalur and Shulagerry.

3. After some delay, consequent on his having been absent on a visit to some relatives in the North Arcot District, the Polygar of Shulagerry has forwarded his reply.

4. He has in this, in accordance with the wishes of the Board, withdrawn the request made in his application referred in the Board's Proceedings,* but he asks consideration of the following point, viz., that, although he has been declared not entitled to the quit-rents imposed by the Inam Commissioner on Inams granted prior to 1739, he should be allowed a portion of them. He engages, if this concession is made, to collect their quit-rents at his own charges, and to pay with his Peshkash the share reserved by Government.

* No. 5,675, dated 11th June 1867.

5. This question is one which has already been dealt with,† and I cannot see any grounds for granting the request made by the Polygar.

6. In the case of the Polygar of Bagalur, I received some time since a communication from him, stating that he desired to retire from the world and become a Sannyasi, and that he, therefore, wished that a Permanent Sunnud should be granted to a son by a young wife, he having no very knowledge children by a elder wife living.

7. To this I replied that the question was not whether he wished a Permanent Sunnud granted to any of his children; that what the Board asked was whether he was willing to retire himself; and that if he was, he might, after obtaining it, make what transfers he pleased, but that I could not, under the circumstances of the case, recommend that the arrangement which he proposed should be made.

*Proceedings of the Madras Government, Revenue Department,
9th March 1868.*

8. I then asked the Collector of Salem, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum, and the Poligar of Bagdarah, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum, and the Poligar of Bagdarah, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum.

speaking to the Collector of Salem, I said, "I have no objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum, and the Poligar of Bagdarah, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum."

9. The Collector of Salem, in reply to the question, said, "I have no objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum, and the Poligar of Bagdarah, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum."

From the Acting Collector, to the Secretary to the Board of Revenue, No. 1,249.

1. After the Collector of Salem, No. 1,249, dated 1st March 1868, I have the honor to inform you that the Poligar of Bagdarah, at the rate of Rs. 100 per annum, and the Poligar of Bagdarah, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum.

2. I see no reason for complaining with this. I have no objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum, and the Poligar of Bagdarah, whether he had any objection to the proposed Permanent Sannud being granted to the Poligar of Bagdarah, at the rate of Rs. 100 per annum.

Forwarded to the Board, in continuation of the Collector's letter, dated 1st March 1868, No. 1,249.

— January 1868.

(Sd/-) C. N. JOHNSON,
Collector.

To the Secretary to the Board of Revenue.

1. Submitted to Government, in continuation of Board's Proceedings, dated 8th July 1867, No. 1,261A.

2. The Poligar of Shulagerry only consents to take a Permanent Sannud on a condition which cannot be complied with, and the Poligar of Bagdarah apparently does not wish to have such a Sannud at all.

3. The orders of Government cannot, therefore, be carried into effect in these cases until the next session takes place.

No. 1,249. Order of the Board, 9th March 1868, No. 616.
