Proceedings of the Madras Government, Public Works Department.

2nd February 1868

No. 520. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Nellore, 8th February 1868, No. 115:—

1. With reference to G. O., No. 3,152, dated 12th October 1867, I have the honor to inform you that I cannot expect to have the estimate for the entire line of Trunk Road No. VI, as far as it lies in the 2nd Division, ready till some time after the commencement of the official year, as the surveys and plans for the new lines between Ongole and Gooty and Bazaarah and Nundyal will cause delay. It is, however, very important that the work on which the 1,00,000† Rupees were sanctioned for expenditure during the next year, should be quickly commenced. I therefore have the honor to request information as to whether I can proceed with those portions of the line already sanctioned as per estimate, and whether I am at liberty to collect materials at the sites of other works without delaying till the entire estimate is sanctioned.

* Vide G. O. No. 131, P. D., No. 3,[illegible] 1867.

† Rupees 2[illegible] of Budget of 1868-69.

Calling for Estimates, G. O., No. 3,703, dated 23rd November 1866.
Memorandum of Agreement, G. O., No. 1,152, dated 22nd April 1867.
Road Cess between Kovur and Ongole, G. O., No. [illegible], dated 16th December 1866.
Estimate for Repairs, G. O., No. 3,663, dated 20th November 1865.

2. The works in the Musanur valley are in full progress, as well as those on the road between Kovur and Ongole, and I will not be considerably should any check occur.

No. 521. ORDER THEREON, 22nd February 1868, No. 603.

CIVIL WORKS, No. 68.

The Superintending Engineer of the 2nd Division is authorized to proceed with such portions of the Great Northern road as have been duly estimated for and sanctioned by Government, but he will be required to include in the estimates called for in paragraph 23 of the Orders on the Budget of 1868-69 the unexpended balances on the 1st April next of all such estimates as have been approved of, or are now in course of execution.
