No 46. Read the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 7th December 1867, No 385.

No 46. Read the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort St. George; dated Madras, 7th December 1867, No 385.

I have the honor to forward a letter from the Reverend W M S Babington, Chaplain of Vizagapatam, together with an estimate and plan for the repair of the entrance gate of the cemetery, amounting to Rupees 213, with a letter on the subject from the Executive Engineer, Vizagapatam. Although the building was constructed so recently as 1862 yet that the estimated for are quite necessary to its safety.

2 It appears that although the building was constructed so recently as 1862 yet that the dilapidations are very considerable, and the repairs estimated for are quite necessary to its safety. The Government is anxious to embrace the present opportunity of giving an ornamental finish to the building, and in the accompanying letter, with proposed additions, together with an estimate and plan of the same, is submitted for the consideration of the Executive Engineer, Bangalore, amounting to Rupees 213, with a letter on the subject from the Executive Engineer, Bangalore, dated 18th March 1882.

2 It appears that although the building dilapidations are very considerable, and the repairs estimated for are quite necessary, the present opportunity of giving an ornamental character to the gate, and has requested me to submit the accompanying letter, with proposed additions marked on the plan in pencil.

4 The Executive Engineer admits that these additions would be improvements, and with that view the Right Honorable the Governor in Council may be disposed to sanction them.

From the Reverend W. M. S. BABINGTON, B. A., Chaplain of Vizagapatnam, to the Venerable the Archdeacon of Madras; dated Waltair, 14th November 1867

From the Reverend W. M. S. BABINGTON, the Archdeacon of Madras; dated Waltair, 14th November 1867

I herewith have the honor to enclose you an estimate of the repairs required at the Waltair new cemetery. I also beg to forward you a letter from the Executive Engineer of the District in which I beg for a plan and estimate of the alterations and improvements which the Trustees agree with me, most decidedly,

I herewith have the honor to enclose you a letter from the Executive Engineer of the Public Works Department, Bangalore, dated 10th March 1906, in reply to your letter of the 2nd inst. I also beg to forward you a plan and estimate of the alterations and improvements which are desirable at the entrance of the same. The Lay-Trustees agree with me, most decidedly, that the alterations shown in the enclosed plan would be desirable; and that, while the alterations are being carried out, the existing building should be kept complete, especially as the building of a new cemetery is not yet decided.

new cemetery. I also beg to answer to my request to him for a plan and estimate of the same. The Lay-Trustees agree with me, most desirably, that such an improvement as shown in the enclosed plan would be desirable; and that, while repairs are executed, they may, as well be thoroughly complete, especially as the building of a new and safe structure.

2 The cost, we imagine, could not exceed a total of double the amount mentioned in this

2 The cost, we imagine, could not exceed a total of double the amount mentioned in the estimate.

From the Executive Engineer, Vizagapatam, to the Reverend W. J. L. LONDON,
Chaplain of Vizagapatam, dated Waltair, 6th November 1867, No 306.
In honor to send you an estimate of the repairs required at the new cemetery
and to return the plan sent with it. The

2 With reference to your letter of 22nd ultimo, I beg to return the plan sent with it. The cemetery was erected so lately as 1862, on a standard plan sanctioned by the Sanitary Department, and I cannot undertake the responsibility of making any alterations.

2 With reference to your letter of 22nd ultimo, I beg to return the plan sanctioned by the Ecclesiastical Department, and I cannot undertake the entrance building at the cemetery was erected so lately as 1862, on a standard plan sanctioned by Government, and approved of by the Ecclesiastical Department, and I cannot undertake the alterations in the plan which would, in my opinion, be a waste of public money.

entrance building at the cemetery was constructed by the Ecclesiastical Department, and I cannot but think that the Government, and approved of by the Ecclesiastical Department, and I cannot but think that the possibility of proposing alterations in the plan which would, in my opinion, be a waste of public money.

3 Possibly, however, you may regard these alterations in the light of improvements, and purpose undertaking them from private or other funds at your own disposal, and in that case I shall be glad to furnish you with a plan and estimate, on your obtaining the requisite sanction from the Government, and on your assuming the responsibility of proposing alterations in the money

3 Possibly, however, you may require some of the money for the purpose of undertaking them from private or other funds at your own disposal, and I shall be happy to furnish you with a plan and estimate, on your obtaining the requisite sanction of Government.

4. Having only one Draftsman for the heavy work of this office, I am obliged to guard against wasting his time on plans, &c, which it is possible may never receive sanction.
