*Proceedings of the Madras Government, Revenue Department,
11th March 1868.*

No. 159. Read the following Proceedings of the Board of Revenue, dated 21 February 1868, No. 1,291.

Read the following letter from the Acting Collector of Vizagapatnam, to the Secretary to the Board of Revenue, dated 22nd January 1868, No. 17.—

1. In 1861, a piece of the backwater swamp land, on the west of this town, was granted on Partdi to a European British subject named Warfield, at an assessment of Rupees 5, (the land being worthless,) chiefly for the purpose of experiment in cultivating the Divi-Divi.

2. In 1862, this same person applied for an additional piece, which was also granted at an assessment of Rupees 7.

3. The whole extent of the land so granted is nearly Acres 70, and the total assessment Rupees 12.

4. Mr. Warfield subsequently sold the land to a native of this town, who resold it lately to the Roman Catholic Bishop here, the Right Reverend Doctor Tissot, a foreigner. This gentleman has now applied to me for an additional piece of land, which, together with that he has already purchased, he wishes to convert into a model farm for the Orphanage attached to his Mission.

5. I see no objection to the Reverend gentleman holding the whole land for the purposes aforesaid; but, on the contrary, I would recommend that he be encouraged in his undertaking, and for this purpose, I beg to submit his application for the orders of Government, with reference to Government Order, dated 23rd March 1860, circulated with Board's Standing Order, dated 27th idem.

ENCLOSURE No. 1.

Abstract.—Bishop Tissot's letter for permission to obtain land for a model farm.

1. Submitted for the favorable consideration of Government.

2. Adopting the rate of assessment charged for the land first granted to Mr. Warfield, the aggregate assessment of the land applied for by the Right Reverend Doctor Tissot, appears to be Rupees 22.

No. 160. ORDER THEREON, 11th March 1868, No. 636.

Miscellaneous.

The Board of Revenue are authorized to grant to the Right Reverend Dr. Tissot the whole land applied for at the aggregate assessment of Rupees 22.
