Annamallay.—It being very difficult to secure the services of a good Overseer on small pay in the unhealthy climate of Annamallay, the salary of that officer is to be raised to Rupees 100. This latter amount was allowed (for a Carpenter) in the original scale of 1862, and was drawn by the present Head Overseer's predecessor.

Bolumpetty, Sholakaray, Chenat Nair, and Walliyar.—A third class Overseer is required to superintend the Bolumpetty and Sholakaray belts, the present (second class) Overseer being restricted to the Chenat Nair forest and Walliyar reserve, in which planting and conservancy proper are to be carried on to meet future requirements of the Railway Department.
	Do.	"	Do., Nallumbur, in Malabar.	Establishment not interfered with.	40	80	60	75	...			ITEM 2. Nallumbur.—The Nallumbur plantations are being annually extended, besides the felling and floating of a large quantity of Teak, Blackwood, &c., to the Depot at Calicut. A Teak plantation is also to be commenced at Nellikotta, distant about twelve miles from Nallumbur. The extended area of operations and the division of work require the appointment of a second class Overseer and the grant of higher salaries to the subordinate servants. It is, moreover, difficult, owing to the unhealthiness of the place, to obtain efficient hands on the present salaries.

The receipts at the Calicut Depot in last year were Rs. 27,600, against charges Rs. 12,248. An interesting report from Dr. Cleghorn on these plantations will be found recorded in the Proceedings of this Government, 5th November 1867, No. 2,618.
