ABSTRACT.—Authorizing the immediate commencement of work on certain roads in order to afford employment for the distressed poor of the Budwail talook, Cuddapah District.

—
Communicated to the Collector for information and guidance.

No. 258. Proceedings of the Board of Revenue, dated 2nd March 1868, No. 1,477.

Read the following letter from the Acting Collector of Cuddapah, to the Secretary to the Board of Revenue, dated on Circuit at Vempully, 22nd February 1868, No. 28.

1. With reference to Mr. Smith's letter, dated 7th February, No. 14, requesting sanction for a sum of 25,000 Rupees as a famine grant for the Budwail talook, I have the honor, in the event of any money being given, most earnestly to solicit permission to lay out some portion of it in digging or deepening wells, as I am led to apprehend very serious deficiency in the supply of drinking water both for human beings and cattle.

2. I have requested Mr. Hardings, the Acting Head Assistant, who is now in the talook, to forward to me a list, as early as possible, shewing what wells are required, and what will be the probable expense.

1. Submitted for the information of Government, with the Board's recommendation that the Collector be authorized to expend, in digging or deepening wells, such an amount as may be necessary. He should submit a memorandum of the probable cost of these works, as soon as possible.

2. The Government have already sanctioned an expenditure of Rupees 15,000 from Local Funds, for the execution of certain works in the Budwail talook, as will be seen from the Board's Proceedings, dated 21st February 1863, No. 1,319.

No. 259.

ORDER THEREON, 16th March 1868, No. 635.

Miscellaneous.

1. The Government authorize the Acting Collector to expend such sum as may be necessary for the work of sinking or improving wells in the Budwail talook, contemplated by him.

2. He will report, for formal sanction, what amount he anticipates will be required, which will be furnished in the shape of a special grant.
