No. 467. Read the following Proceedings of the Board of Revenue, dated 11th February 1868, No. 1,025.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Point Calimere, Tritrapundi Talook, 11th January 1868, No. 4 :—

1. With reference to Part I. of the Supplemental Local Fund Budget, submitted with my letter dated 11th January 1868, No. 3, I have the honor to forward, herewith, one plan and two estimates, amounting respectively to Rs. 3,750 and 2,370, and to request that the Board will be pleased to obtain the sanction of Government for the same.

2. The estimate of Rupees 3,750 provides for converting the Coleroon south bank into a road, so as to connect Road No. 2 with Trunk Road No. 9.

3. The other estimate of Rupees 2,370, is supplemental to that sanctioned in Government Order, dated 4th September 1866, No. 2,339, amounting to Rs. 13,250, for constructing a road from Mayaveram northwards to join Road No. 41. This road was inspected by the Superintending Engineer as it was in course of construction, and it was then discovered that the additional masonry works now estimated for were necessary.
