Proceeding

*Government, Marine Department,
in February 1868.*

No. 68. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department; dated Dowlaishwaram, 29th January 1868, No 237.

In the Proceedings of Government in the Marine Department, communicated to this office with G. O., No. 2976, of 24th September last, the bill amounting to Rupees 431-6-5, for trying the engines of the Paumben Steam Tug, is sanctioned, but the necessary funds are not allotted. I have, therefore, made a reference to the Superintendent of Marine, with a view to his causing the necessary funds to be transferred to the credit of this Department by the Accountant General from the Port Fund, as he did regarding the amount required for closing dead lights of the same vessel; but that officer states that that amount will not be met from the Port Fund, but that it can be drawn from the treasury on the presentation of the sanctioned bill.

2. Under these circumstances, I have the honor to request instructions how to act in the matter.

Referred to the Marine Department.

2. As a transfer of funds from the Marine to the Public Works Budget cannot be made without the sanction of the Government of India, the undersigned would suggest that the charge referred to in this letter by an appropriation from Port Funds.

FORT SAINT GEORGE,
5th February 1868.
