*Proceedings of the Madras Government, Revenue Department,
17th March 1868.*

No. 280. Read the following Proceedings of the Board of Revenue, dated 3rd March 1868, No. 1,511.

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 20th November 1867, No. 1,474 :—

1. I have the honor to request that the Board will be so good as to take into consideration, at the time of the revision of the Talook Tappal Establishment, a proposition of the Acting Sub-Collector of this district for appointing a Mulki Gumastah at Addanki.

2. The Acting Sub-Collector states that lately paid private letters have been received in Addanki, and despatched with the Sub-Magistrate's mail, to carry which tappal runners are employed between Addanki and Ongole and *vice versa*; that in the forty-five days ending 30th June, the number of letters so received amounted to sixty; and that if a public Mulki Tappal Office were regularly established, and a Gumastah appointed for the purpose of receiving and distributing private letters, there is every reason to believe that the Mulki would be much used by the public, and the postage soon pay the expenses of a Gumastah, whose pay Mr. Sharp would fix at 7 Rupees a month.

3. Addanki is a town of some 3,000 inhabitants, many of whom are merchants, and the proposition above has been suggested by the local Revenue Officers.

Submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, the employment of a Tappal Gumastah, on 10 Rupees per mensem, at Addanki, be sanctioned. The charge can be met from the general savings in the District Post Establishment, and will be included in the revised statement when the re-distribution of the establishment is completed.

No. 281. ORDER THEREON, 17th March 1868, No. 696.

Miscellaneous.

The Board's proposal is sanctioned.
