Do. 19th March 1868, ,, 312, 313.

1. I am directed to forward, for the favorable consideration and orders of the Government of India, the accompanying papers relating to an increase to the Salt Establishment of the Madras District.

2. This increase is necessary, consequent on the extension of the manufacture of salt in the district, in view to the maintenance at the Madras Depôt, where the sales are very extensive, of a sufficient stock of salt, to provide against the vicissitudes of trade and season. The proposal involves the opening of 907 new pans, capable of yielding an additional annual supply of 5,44,200 Indian Maunds of salt, worth Rupees 9,18,337 at the Government selling price.

3. The cost of the additional agency required for supervising and guarding the manufacture at the new localities, including increases to the salaries of the principal salt servants, and for which I am now directed to request the sanction of the Government of India, amounts to Rupees 241 per mensem (or Rupees 2,892 per annum) for Revenue, and Rupees 140 per mensem (or Rupees 1,680 per annum) for Preventive Establishment.

4. A tabular statement shewing the proposed increase to the Revenue Establishment is herewith forwarded. The Preventive Establishment particularized in the margin has not been included in this statement, as it is chargeable to the Police Department.

Sir,
Your most obedient servant,
