*Proceedings of the Madras Government, Revenue Department,
19th March 1868.*

No. 325. Read the following Proceedings of the Board of Revenue, dated 11th March 1868, No. 1,788.

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated on Circuit at Pyapalli, 31st January 1868, No. 44 :—

1. I have the honor to forward a copy of Mr. Sheffield's letter* to me on the subject of the purchase, by Government, of some jungle lands now in possession of one Achayya.

* No. 173, dated 27th January 1868.

2. This land was sold to Achayya by Government some years ago, and since the introduction of the Forest Department has been a constant source of annoyance. For the owner sells licenses to cut wood from his lands, but under protection of these licenses, wood of all sizes is cut from the Government forests.

3. The re-purchase of this land would at once cause these irregularities to cease.

4. I do not know the date of the sale, but fearing delay, have ventured to address the Board for permission to purchase this land whenever it may be sold.

From Mr. T. SHEFFIELD, Assistant Conservator of Forests, to the Collector of Kurnool, dated Nandial, 27th January 1868, No. 173.

1. I have the honor to bring to your notice that the jungle land at Narianaporam, formerly belonging to one Achayya, and which has caused so much trouble to my department, is now under attachment to the Court, and, I believe, is about to be sold by auction.

2. I spoke to Captain R. H. Beddome, the Officiating Conservator of Forests, about Government buying in this land when he was here last week, and he approved of it, and requested to consult you in the matter. I, therefore, solicit you will please sanction its being bought in by Government should it be sold. I believe the debt for which it is attached is only about Rupees 300, some of which has been re-paid.

1. Submitted to Government, with the Board's recommendation that the Forest Department be authorized to purchase, for Government, the jungle land at Narianaporam, as the Officiating Conservator of Forests is stated to be in favor of the step.

2. The Collector will be requested to report when and under what circumstance the land in question was originally sold by Government to Achayya.

3. Government will see from the letter of the Assistant Conservator of Forests, that the land is now under attachment, and about to be sold under a Decree of Court.

No. 326. ORDER THEREON, 19th March 1868, No. 719.

Forests, No. 11.

1. The Officiating Conservator of Forests is authorized to purchase the tract in question if it can be obtained for a sum not exceeding Rupees (500) five hundred, and if the funds can be provided from his Budget provision.

2. He will report his proceedings under this Order.
