Proceedings of the Madras Government, Revenue Department,

23rd March 1868.

No. 377. Read the following Proceedings of the Board of Revenue, dated 17th March 1868.

Read the following letter from the Collector of Madras, to the Secretary to the Board of Revenue, dated on Circuit at Trivellur, 12th March 1868:—

1. With reference to the Proceedings of Government, dated 17th February 1868, No. 447, and 3rd March 1868, No. 588, I have the honor to request you will be pleased to let me know how the expenditure mentioned in Mr. Robinson's various reports on this district is to be met.

2. The total amount of his estimated expenditure for the works in the Ponneri and Trivellur talooks amounts to Ru-

* In Mr. Robinson's Memorandum this sum is incorrectly represented as Rupees 37,430. Rupees 89,373; towards this, Rs. 45,430* have already been obtained, partly from

the Famine Funds (50,000 Rupees) sanctioned by Government in their Order of the 17th December last, No. 3,005, and partly from the unexpended balance of the Budget allotment available on the 1st January 1868; for the remainder, amounting to Rupees 43,943, some other sources must be found. In like manner, the estimate framed by Mr. Robinson for the three Sub-division talooks amount to Rs. 74,918, of which Rupees 28,000 has been met from Famine Fund, and Rupees 3,850 from the unexpended balance of Budget allotment; a sum of Rupees 43,068 is, therefore, still required.

3. The Government, I observe, have sanctioned the proposals of Mr. Robinson in their entirety; but have not stated where the funds are to come from, and it is therefore to obtain this information that I now write to you. An early answer will greatly oblige, as I am anxious to commence some of the works at once, especially those enumerated to be undertaken by the Revenue authorities.

4. It should be observed that the regular Budget allotment for 1868-69, amounting to Rupees 1,06,000 for this district, does not include in every case the works recommended by Mr. Robinson, and it is therefore to be concluded that some special allowance is intended to be granted for his proposals.

1. Submitted for the orders of Government.

2. The Board believe that it was the intention of Government to make special famine grants of the funds, the outlay of which they sanctioned in the orders to which Mr. Fane refers.

No. 378. ORDER THEREON, 23rd March 1868, No. 743.

Miscellaneous.

Whatever funds are required for the sanctioned relief works other than works included in the Imperial or Local

Fund Budget or fairly chargeable to them, will be provided by special grants. The Accountant General will issue the necessary instructions.
