No. 381. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 7th March 1868, No. 587 :—

I have the honor to request that you will obtain the sanction of Government that the powers laid down in Sections 4, 5, and 6 of Act No. XXVIII of 1860, may be extended to Forest Officers and their subordinates whilst they are employed in the demarcation of Government forests. If we can work under this authority, our Officers can order the attendance of the Gramam Moonsiff's when necessary, which Collectors might object to our Officers doing in their capacity as a Forest Officer only. Care will of course be taken that our Officers do not issue any orders that would cause interference with the current talook work.
