*Proceedings of the Madras Government, Revenue Department,
24th March 1868.*

No. 387. Read the following Proceedings of the Board of Revenue, dated 2nd March 1868, No. 1,492.

Read the following letter from the Collector and Magistrate of Malabar, to the Secretary to the Board of Revenue, dated 17th February 1868, No. 50 :—

1. I have the honor to bring to the notice of the Board that the Talook Cutcherry at Manjeri, the Cusbah of the Ernad talook, is a cramped, dark, inconvenient building. The Subsidiary Jail accommodation is not good, and a new Talook Cutcherry building is very desirable.

2. The Munsiff's Court occupies part of the block, of which the Cutcherry is the easternmost portion. The Court is, I believe, inconveniently small, but if the whole block of building could be given up to it, there would be ample accommodation.

3. The piece of ground on which the buildings stand is conveniently situated, and was required on behalf of Government lately.

4. I beg that the sanction of Government may be obtained for the erection of a new Cutcherry on the general plan lately approved, though a few modifications will be necessary to meet the climate of this coast.

5. If this new Cutcherry is sanctioned, temporary change of the Subsidiary Jail accommodation will hardly be necessary, as it would be provided on approved principles in the new building.

6. The present building could then be made over altogether to the Judicial Department.

The approval of Government will be requested to the Collector's proposals in view to the necessary plan and estimate being prepared.
