*Proceedings of the Madras Government, Revenue Department,
25th March 1868.*

No. 416. Read the following Proceedings of the Board of Revenue, dated 13th March 1868, No. 1,827.

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated on Circuit at Dhone, 12th February 1868, No. 60 :—

1. I have the honor to forward plan and estimate and report for the road between Eldurti and Ramalakota, received from the Superintending Engineer, 3rd Division, on the 12th February, with his letter* No. 2,981, dated 7th February.

* Copy enclosed.

2. The number of the road is 5 in Supplemental Budget Estimate for 1867 and 1868, in Government Order No. 1,872, dated 12th August, and for it 6,000 Rs. were sanctioned.

3. The estimate is still, I consider, a very high one, and I agree with Major Moberly's suggestion that the construction of the dams be postponed.

4. I would also request that the whole may be carried out by the Department of Public Works, and not partly by that department and partly by the Revenue Department, as entered in the Supplemental Budget.

From the Superintending Engineer, 3rd Division, to the Collector of Kurnool, dated Camp at Penakonda, 7th February 1868, No. 2,981.

I have the honor to forward, for your countersignature of the report and estimate, a survey plan, &c., for constructing a second class district road from Ramalakota to Eldurti, and for transmission to the Board of Revenue.

1. The plans and estimate received with the above letter, amounting to Rupees 10,220, will be submitted for the sanction of Government.
