*Proceedings of the Madras Government, Revenue Department,
26th March 1868.*

No. 444. Read the following Proceedings of the Board of Revenue, dated 13th March 1868, No. 1,817.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 8th January 1868, No. 6:—

In reference to the Proceedings of the Board, dated 6th instant, No. —, I have the honor to state that, by a letter of the 21st September 1867, No. —, Mr. Robinson placed the Officers of the Police of the district in communication with me on the subject of the organization of a preventive force for the prevention of salt smuggling, and both Major Swanston and Lieutenant Young, some weeks ago, had an interview with me on the matter, but the question is one of no ordinary difficulty, and we came to the resolve, at our interview, that it was useless to attempt to protect the innumerable intersecting frontiers which lie between the outside boundary of the two territories, and accordingly Major Swanston and Lieutenant Young agreed to visit the whole frontier, and to form a sort of outside cordon with posts at intervals and corresponding beats, and I believe they are now engaged on this duty, and so soon as all our information is matured, and the Police have submitted their proposals, I will at once finally report for the consideration and orders of Government.

1. Submitted for the information of Government, with reference to their Memorandum, dated 18th December 1867, No. 141.

2. The Collector of South Arcot will be directed to communicate with the Police authorities, and request them to expedite the preparation of their proposed scheme.

No. 445. ORDER THEREON, 26th March 1868, No. 776.
