*Proceedings of the Madras Government, Revenue Department,
26th March 1868.*

No. 448. Read the following letter from the Honorary Secretary, Government Farm, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 21st March 1868, No. 321 :—

1. I have the honor to bring to the notice of His Excellency the Governor in Council, that applications are frequently received from Collectors and others in the Mofussil for Ploughs, Harrows, Chaff-cutters, and other farming implements of improved patterns.

2. In some cases the Farm has been unable to supply the articles required, and in others, cannot even get them made in Madras.

3. The Committee, therefore, respectfully request that a sum of Rs. 1,500 be granted as a permanent Advance Fund, to be employed in the purchase of a certain stock of the commonest and most useful implements, which, after trial at the farm can be supplied, on payment, to parties requiring them.

4. Another advantage of this system would be that applicants could be supplied at once, whereas, under the present system, a good deal of correspondence and consequent delay takes place before the implements can be made and despatched.

No. 449. ORDER THEREON, 26th March 1868, No. 778.

Miscellaneous.

The proposed permanent advance of Rupees 1,500 is sanctioned.
