No. 148. Read the following letter from the General Superintendent of Public Works Workshop and Stores, to the Secretary to Government, Public Works Department, dated Chepauk, 7th January 1868, No 1,270.—

1. I have the honor to request that you will be so good as to obtain the sanction of Government to the appropriation of the sum of Rupees 5,000, from the special assignment of Rupees 9,000 in the Budget of 1867-68, to meet the Public Works Workshop expenses.

2. The grant now asked for would not be necessary if the bills for works could be collected before the close of the current official year, but as I anticipate that about Rupees 5,000 will be outstanding, I am induced to make this request, with a view to cover the full amount of credit orders on account of the Workshop up to the end of the official year.
