Read the following

Proceedings of the Madras Government, Revenue Department,
23rd March 1868.

No. 367. Read the following Proceedings of the Board of Revenue, dated 20th March 1868.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 13th March 1868, No. 63:—

With reference to the Board's Proceedings, No. 1,059, dated 13th February 1868, I have the honor to state that the number and descriptions of tools needed

	Lbs.	No.	
* Axes Pick, country ...	10	500	for such of the able-bodied poor as may
Momaties do. ...	10	500	be employed on special relief works are
Crows, Iron, common ...	16	100	noted in the margin,* which I request
			to be supplied to me as early as practi-
			cable.

1. Submitted to Government, with the Board's request that the Collector may be supplied with the tools for which he applies.

2. Mr. Arbuthnot will do well to consider whether a small increase in the rate of wages would not induce the laborers to supply their own tools. Light iron crowbars might also be made upon the spot without difficulty.

No. 368. ORDER THEREON, 29th March 1868, No. 708.

Miscellaneous.

1. Orders will be issued in the Department Public Works for the supply of the Pick-axes and Momaties required if available, of the weight specified.

2. The Government, however, disapprove of the system of depending on the Presidency Stores for ordinary tools, which can doubtless be procured in the districts without difficulty, and desire that the Board will discourage the practice as much as possible.

Secretary to Government.
