*Proceedings of the Madras Government, Revenue Department,
31st March 1868.*

No. 586. Read the following Proceedings of the Board of Revenue, dated 13th March 1868, No. 1,839.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 10th December 1867, No. 3,743 :—

1. With reference to the Board's Proceedings of the 12th ultimo, No. 7,381, I have the honor to state that, in the Government talooks of Chicacole and Berhampore, there are no jungle tracts worth conserving for the purpose of providing a supply of firewood for future years, with the exception of the Moherry hills in the latter talook. Firewood in these talooks is for the most part obtained from the neighbouring Zemindaries.

2. In the Gumsoor talook, however, there are several tracts of firewood, but it is not worth our while to conserve them on account of their great extent.

3. Moreover, the Jungle Conservancy Fund of this district is so low that it is in debt to the extent of 70 Rupees at the present date.

1. Submitted for the information of Government.

2. The Board agree with the Collector that it is not necessary to institute any conservancy for the protection of the jungles in Ganjam, from which firewood is supplied.

No. 587. ORDER THEREON, 31st March 1868, No. 844.
