*Proceedings of the Madras Government, Revenue Department,
1st April 1868.*

No. 19. Read the following Proceedings of the Board of Revenue, dated 25th March 1868.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Coonoor, 21st March 1868:—

A tiger has taken shelter near Bolamputty, in the Coimbatore talook. It has carried off and killed seven individuals. A reward of 100 Rupees was offered by my predecessor for its destruction—*vide* Notice published in the Coimbatore District Gazette of the 27th October 1867, page 676. This has not produced the desired effect, and the Tahsildar now reports that the animal is doing much mischief to cattle in the neighbourhood, and that people are afraid to live there. He states that unless a larger amount of reward is offered, no Shikarries will be induced to undertake the destruction of the tiger in question. I therefore request the sanction of Government for doubling the above reward.

Submitted to Government, with the Board's recommendation that sanction may be granted for the special reward of 200 Rupees for the destruction of the tiger, under the circumstances stated by the Collector. The maximum rate of reward for a man-eating tiger sanctioned in the Proceedings of Government, Judicial Department, dated 2nd February 1865, No. 184, is only Rupees 100.

No. 20. ORDER THEREON, 1st April 1868, No. 855.

Miscellaneous.

The offer of a reward of Rupees 200 is sanctioned as requested by the Collector and the Board.
