*Proceedings of the Madras Government, Revenue Department,
2nd April 1868.*

Read the following papers :—

No. 56. From W. ROBINSON, Esq., C. S. I., Acting 3rd Member of the Board of Revenue, to the Chief Secretary to Government, Fort St. George, dated Madras, 19th March 1868.

1. I have the honor to submit, for the favorable consideration of Government, the accompanying letter from Mr. Hargreaves, Apothecary, who has accompanied me throughout my recent tours under the Orders of Government noted marginally.

G. O., dated 2nd January 1868, No. 1.

2. The facts seem to be as follows :—

Mr. Hargreaves had been provisionally nominated for an appointment of higher salary at the time he was placed under my orders ; but the salary had to be sanctioned by the Supreme Government, and this sanction had not been received. Shortly after his deputation, the sanction was received, but Mr. Hargreaves' temporary employment on special duty precluded his taking it up. He considers that he is entitled to compensation, and this claim, I would submit, for the favorable consideration of Government.

3. Mr. Hargreaves' duties with me have been arduous, and involved much and irksome travelling. He has been most zealous in inquiring at the sanitary state of the country which was passed through, and has given medical relief wherever it was required, and within his power to afford it. He is a very efficient and zealous officer.

4. I beg that the usual travelling allowance, for which Mr. Hargreaves' bill is submitted, may be sanctioned.

Referred to the Accountant General for his remarks.

Secretary to Government.

MEMORANDUM.

1. The undersigned has the honor to report that there is nothing in the records of this Office to shew that Apothecary Hargreaves was, on being relieved of the Medical charge of the Zillah of Rajahmundry, to be put in charge of the Zillah of Chetterpore. Had he been so appointed, he would, under the Order of the Government of India, No. 2,295, dated 25th April 1867, have probably been granted a consolidated salary of Rupees 350 a month from date of assuming charge. Under these circumstances, it rests with Government to decide whether Mr. Hargreaves may be allowed a sum equal to the salary claimed by him during the period of his employment upon special duty with Mr. Robinson.

2. There is no objection to his being allowed a mileage of 4 Annas by road and 1½ Anna by rail for distances actually travelled, but the batta of three-tenths of pay which is granted to ministerial servants only does not seem admissible in his case.

Miscellaneous.

1. As Mr. Hargreaves stands posted in G. O. to the Medical charge of Chetterpore on being relieved from that of Rajahmundry, the Government authorize the Accountant General to pass to him the allowance of Rupees 350, which he would have received at Chetterpore, for the period during which he was attached to Mr. Robinson on special duty, and was thereby precluded from taking up the former post.

2. The Accountant General will also pass to Mr. Hargreaves such mileage and batta as he may be entitled to under the rules.
