*Proceedings of the Madras Government, Public Works Department,
10th January 1868.*

No. 172. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 2nd January 1868, No. 1.

Read the following letter from the Collector of Madras, to the Consulting Engineer of the Madras Railway, dated Sydapet, 21st December 1867, No. 366 —

1. With reference to the Order of Government, dated 10th instant, No. 2,846, and to your docket thereon of the 12th idem, I have the honor to annex below the specification of the land required by the Railway Company for an Iron Foundry in the villages of Chinna Semberambakam and Seroovaloor in the Sydapet talook.

2. The land in the village of Seroovaloor measures Cawnies 2-5-4, it is partly Inam and partly rent paying, and is bounded on the north by the Railway, on the south by the Chinna Semberambakam, on the east by dry lands under cultivation, and on the west by the compound wall of the Railway Workshop.

The lands in Chinna Semberambakam measures Cawnies 7-8-14, it is bounded on the north by the compound wall of the Railway Workshop and a tank, on the south by dry lands and the bund of a tangal, on the east and west by dry lands.

Submitted for the information of Government, with reference to G. O., No. 3,846, dated 10th December 1867.

(Signed) J. H. M. SHAW STEWART, Major, R. E.,
Consulting Engineer for Railways.

No. 173. ORDER THEREON, 10th January 1868, No. 89.

RAILWAY, No. 13.

1. His Excellency the Governor in Council resolves that the following declaration be made and recorded under Section II of Act VI of 1857 :—

“Whereas a piece of land in the village of Seroovaloor, in the Sydapet talook of the Madras district, measuring Cawnies 2-5-4, or thereabouts, and bounded on the north by the Railway, on the south by Chinna Semberambakam, on the east by dry lands under cultivation, and on the west by the compound of the Railway Workshop, and also another strip of land in the village of Chinna Semberambakam, measuring Cawnies 7-8-14, or thereabouts, and bounded on the north by the compound of the Railway Workshop and a tank, on the south by dry lands and the bund of a tangle, and on the east and west by dry lands, are needed for the establishment of a foundry in connection with the Madras Railway, the Governor in Council, in exercise of the authority vested in him by the provisions of Act VI of 1857, does hereby declare the said land to be land required for a public purpose.”

2. The Governor in Council also resolves, under Section III of the Act in question, to direct the Collector of Madras, in communication with the Consulting Engineer for Railways, to take the necessary measures for the acquisition of the land, and to adjust the claims to compensation on account of it in the manner provided by the Act.

C. J. P. Jene Esq.,
Collector of Madras.

To,

The Consulting Engineer
of the Madras Railway.

Sir,

With reference to the order of
Government, dated 10th Instant, N^o 2846,
and to your Docket thereon of the 12th Idem,
I have the honor to annex below the spe-
cification of the land required by the
Railway Company for an iron foundry
in the villages of Chenna Sembaramba-
kam and Siroovaloor in the Sydapt Taluk.

2 The land in the village of Siroovaloor
measures Cawnies 2-5-4; it is partly
Ornam & partly rent paying, and is
bounded on the North by the Railway, on
the South by Chenna Sembaramba-

on

on the east by dry lands under culti-
-vation, and on the west by the Compound
wall of the Railway work shop.

The lands in Chinna Sribaram
-baram measure 7-8-14 ;
it is bounded on the north by the com-
-pound wall of the Railway work shop
& a tank, on the south by dry lands,
and the head of a Tangedi on the east,
and west by dry lands.

I have the honor to be,
Sir,
Your Most Obedt Servant,

S. S. S. S.
Collector.
