*Proceedings of the Madras Government, Marine Department,
19th December 1867.*

No 29. Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 7th December 1867, No 3949

I have the honor to inform you that on the night of the 31st August the Pilot office at Paumben was found to be on fire. Fortunately discovery was made in time to save the house in which the head Pilot resides, but as it has a thatched roof, and the fire is believed not to have been the result of accident, the Collector of Madura was requested to have an estimate prepared for having the roof tiled. The cost is stated to be Rupees 1850, sanction for which I solicit, the amount to be debited to Marine charges.

2. The estimate will be forwarded to the Public Works Department.
