MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Controller of Military Accounts, Fort Saint George, 12th December 1867,
C; to the Secretary to Government, Military Department.

I have the honor, in reply to your memorandum of this date, to state that it is the intention of this office to include Rupees 70,000, for the purchase of a site for the lines of the Vepery Regiment, and to assist in building the lines, in the Budget Estimate for 1868-69, now under preparation; but it appears to this office doubtful whether Rupees 50,000 of that sum intended for the purchase of the "land and tenements" will be admitted by the Government of India in the Military Estimate, with reference to the decision recorded in Proceedings of Government, Financial Department, dated 19th March 1864, No. 183, under which the provision would be more regularly made in the Estimate of the Public Works Department.

2. It is not expected that savings nearly to the extent necessary to meet the large expenditure referred to, will accrue in the working of the Estimate of the current year.

ORDER, No. 4891, 19th December 1867.

The Right Honorable the Governor in Council observes that the Public Works Budget having been closed, it is now too late to include in it the sum required for the purchase of land for the lines of the Vepery Regiment. Provision for the purpose will accordingly be made, as originally directed, in the Military Budget, and the Government or
